 BYU FIELDS
 AUTOLOADED

All CUP will be put in one collection---there will be mixed types, documents, newsletters, annual reports, newsletters, scrapbook of photos (the photo album will be done as a Compound Document with postcards within for the individual photo fronts and backs), public law

Richard Jensen requested that the photos link to the appropriate annual report where they are discussed---need to look into feasibility of doing this

Serials will NOT have the articles analyzed---they will be done like the Marcus Bach Outreach collection
