

### Utah Newspapers Common Fields for Mountain West Digital Library

These are the fields that will be used for cross searching---each individual newspaper may have (and usually will have additional fields)

IARchives Field	MWDL Field	Dublin Core	
Title	Title	Title	UofU titles are Title Date Article title; BYU titles are Title issue vol no. page no Article title; We have decided that the difference is not a problem
Type	Genre	Subject	BYU needs to reload to get this field included
Source	Identifier	Identifier	
Date Original	Date Original	Date	UofU is getting this in the yyyy-mm-dd format from Iarchives
Date Yr	Date Year	Date	
Date Mo	Date Month	Date	
Date Day	Date Day	Date	
Item.Page	Page Number	Relation	
Item.Transcript	Description	Full Text	This is the OCR text field

NOTE: Items will be default displayed in the CONTENTdm Grid format in the Mountain West Digital Library for the public
