¹Sirsi is the corporate name of the producer of the library's online catalog and database system, Unicorn®.

²Media Center transactions are all recorded via SIRSI reports.

³Includes any loans not recorded through the library's check-out system or rejected because of a missing parameter in a SIRSI report.

⁴The HBLL made the transition from the Dewey Decimal Call Numbers to the Library of Congress (LC) Call Numbers several years ago.

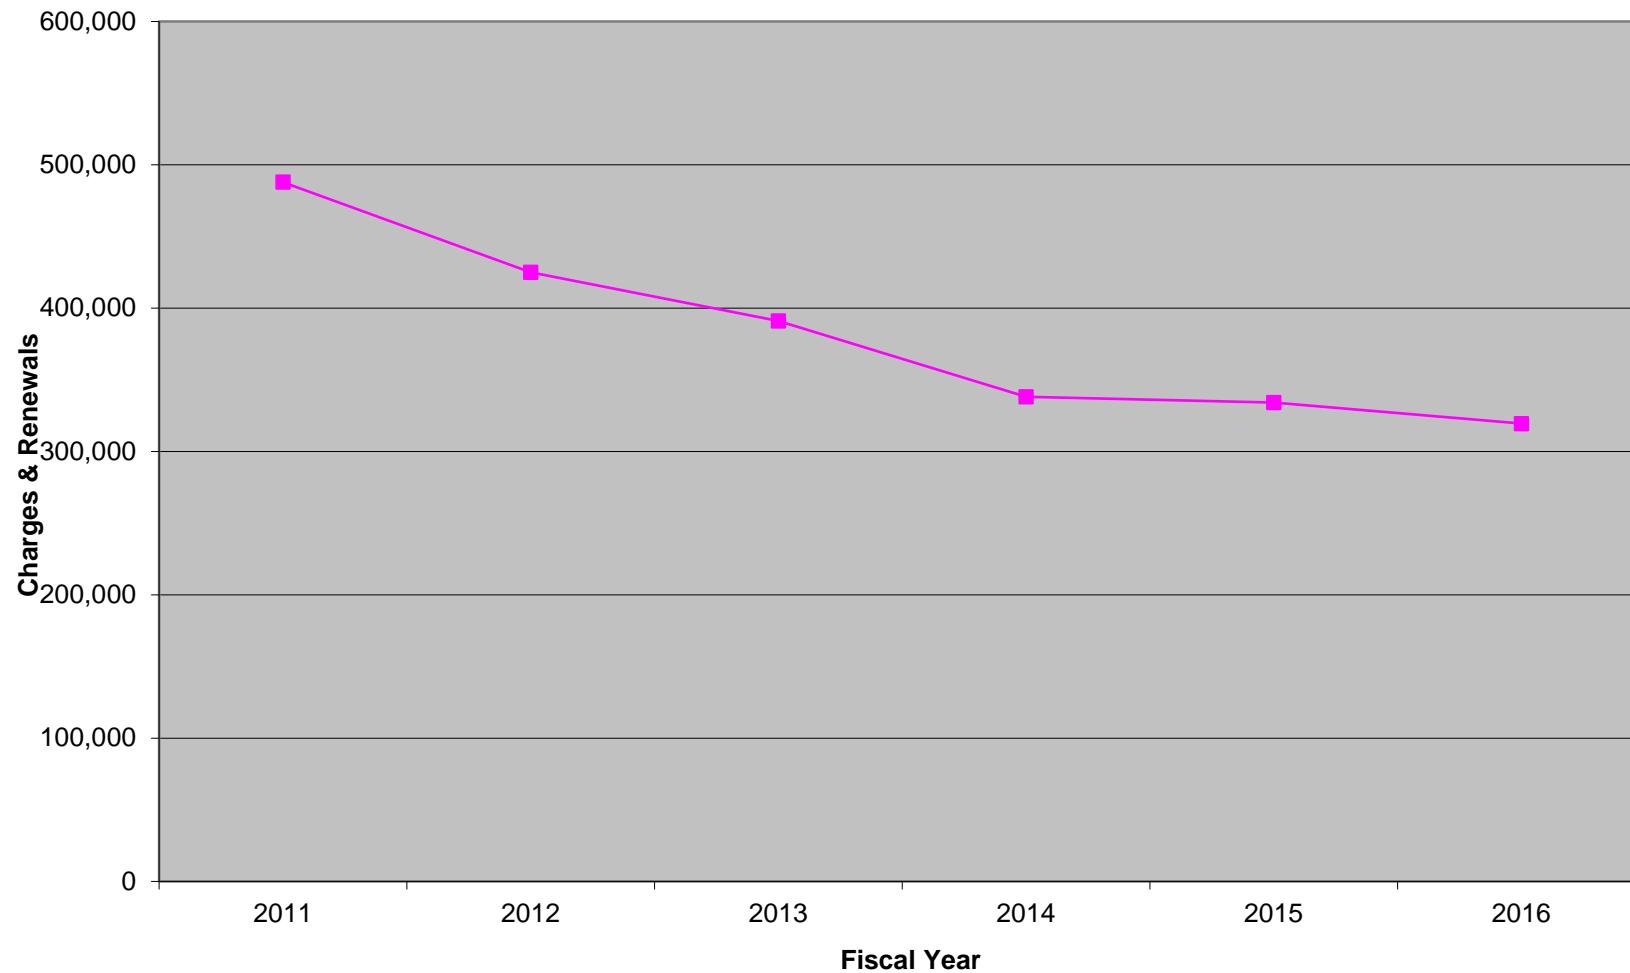

⁵Miscellaneous includes items that are circulated but did not match the LC or Dewey Call Number ranges as assigned within the Sirsi system.

⁶A change in the way circulation is tracked by user profile affected the final report in 2012, resulting in a large increase in Others while : .
