¹Sirsi is the corporate name of the producer of the library's online catalog and database system, Unicorn®.

²Media Center transactions are all recorded via SIRSI reports.

³As of 2018, all transactions recorded through the library's check-out system.

⁴The HBLL made the transition from the Dewey Decimal Call Numbers to the Library of Congress (LC) Call Numbers several years ago. The one area where there is an exception was in the Juvenile Collection currently located on the 4th floor in the southwest wing. The Dewey numbers here primarily reflect circulation of that collection.

⁵Miscellaneous includes items that are circulated but did not match the LC or Dewey Call Number ranges as assigned within the Sirsi report (e.g., curriculum, Mid-East/Icelandic/Welsh, Sampler, etc.).

⁶A change in the way circulation is tracked by user profile affected the final report in 2012, resulting in a large increase in Others while seeing dramatic decreases in all the other profiles.
