¹A new process was implemented in 2008 to track in-house use of materials.

²Periodicals Total reflects the numbers reported directly from the Periodicals department.

³Beginning May 2008, tracking is via scanning item barcodes with use statistics generated via Sirsi's Unicorn@.

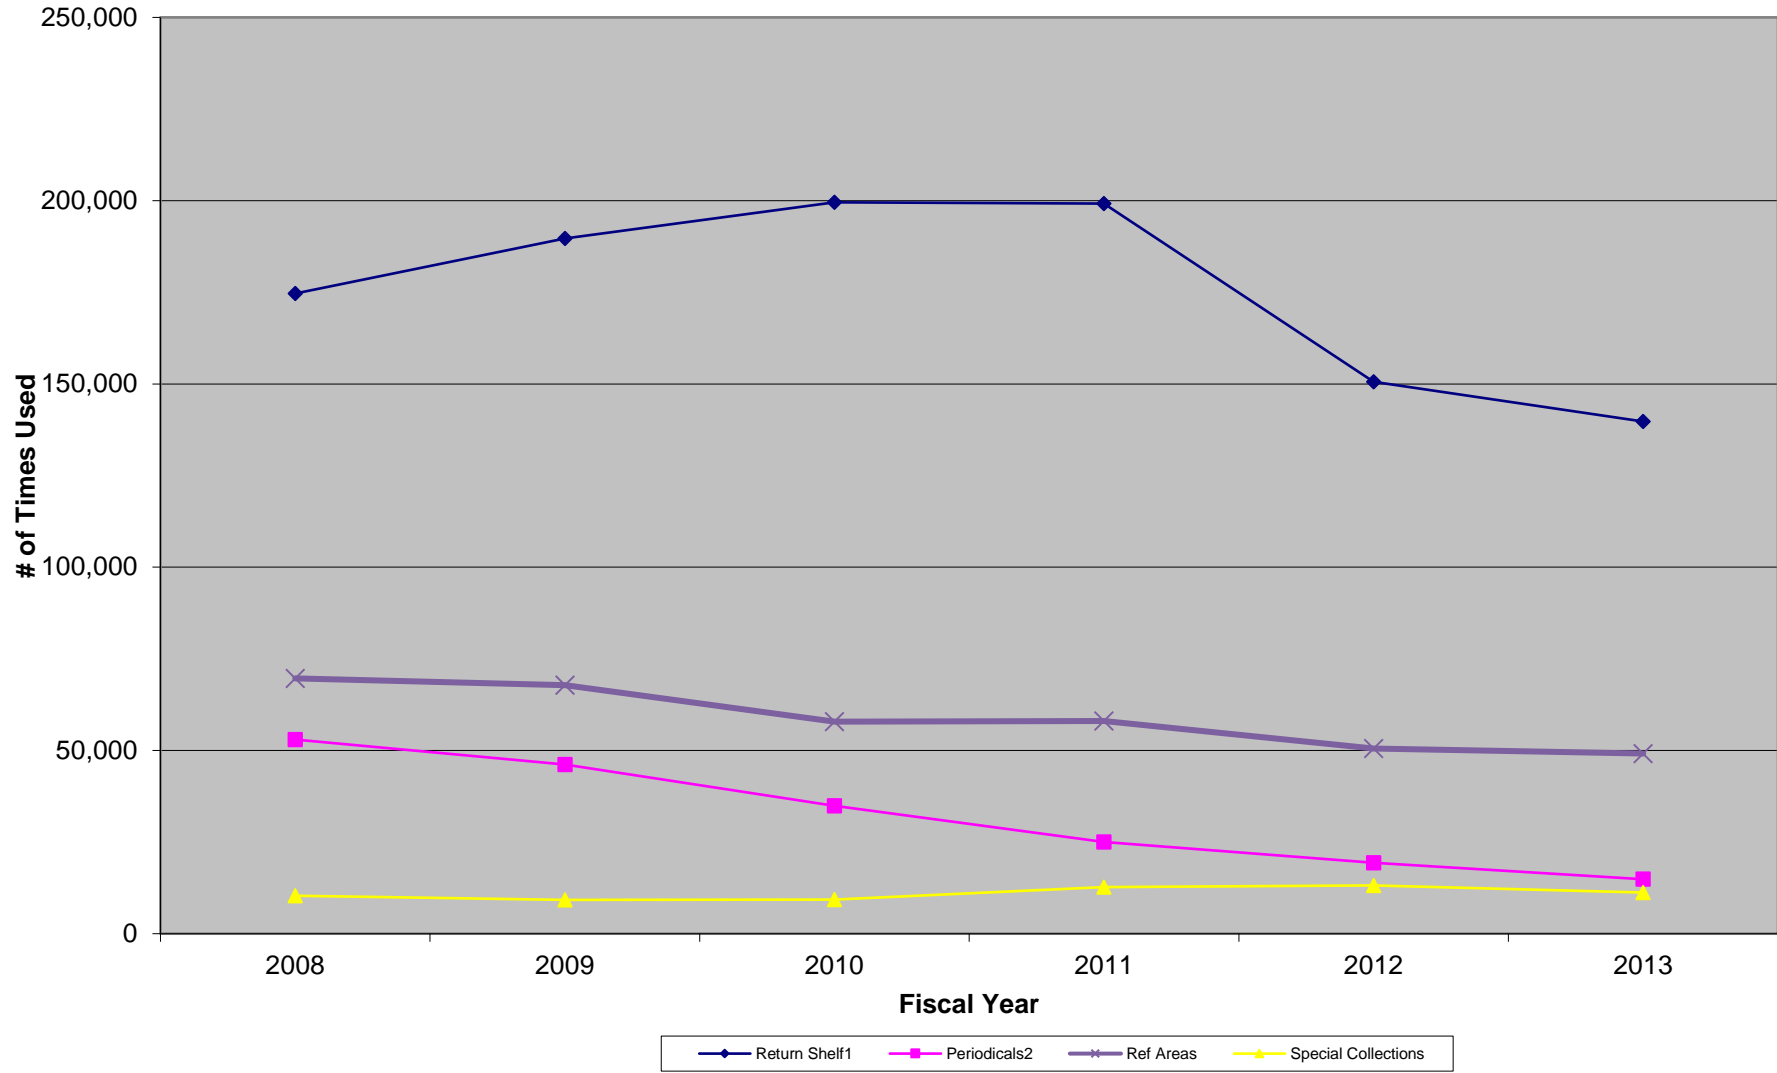

⁴With the new tracking process, this item is no longer recorded separately.

⁵Music & Dance started to scan in-house use in Fall 2008.

⁶Ancient Studies was added back into count in 2010.
