<sup>1</sup>A new process was implemented in 2008 to track in-house use of materials.

<sup>2</sup>Periodicals Total reflects the numbers reported directly from the Periodicals department.

<sup>3</sup>Beginning May 2008, tracking is via scanning item barcodes with use statistics generated via Sirsi's Unicorn®.

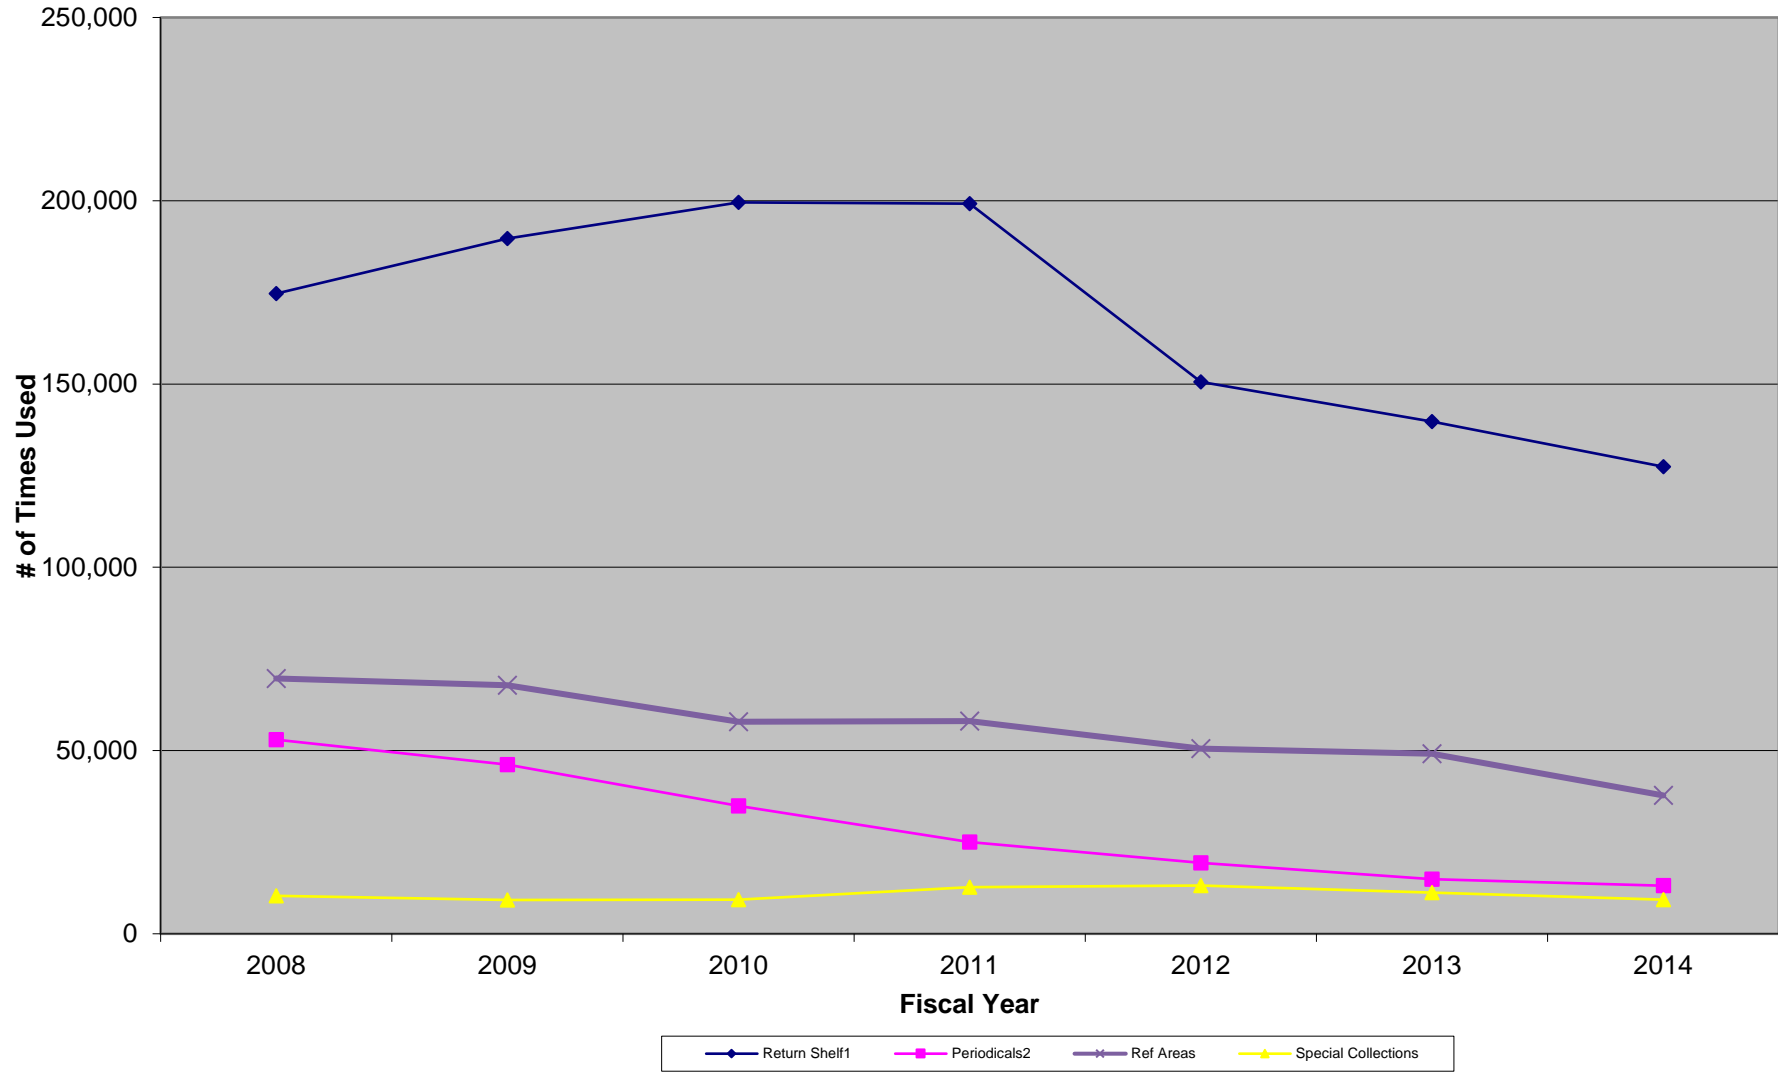

<sup>4</sup>With the new tracking process, this item is no longer recorded separately.

<sup>5</sup>Music & Dance started to scan in-house use in Fall 2008.

<sup>6</sup>Ancient Studies was added back into count in 2010.
